CURATOR & NARRATOR

I bring together what is scattered.

and pass on.

EDITION 1 EO ENA • REBUILDING THE WORLD WERKKAART

Eo Ena

EOE-001

Eo Ena is the narrator of the almanac. She gathers what lies scattered across four worlds and guides you through — so you can make, understand, and pass on.

The name — Eo is Latin for 'I go, I travel'. She is the one who sets out and brings back what proves worth the journey.
