EOE-001

CURATOR & NARRATOR

I bring together what is scattered.
So you can make, understand,
and pass on.

WHERE CARDS COME FROM

A world is where a card comes from — its origin, not its
place.

Eo Ena

E0E-001

Eo Ena is the narrator of the almanac. She gathers what lies scattered across the worlds and guides you through — so you can make, understand, and pass on.

The name — Eo is Latin for 'I go, I travel'. She is the one who sets out and brings back what proves worth the journey.
